

EXECUTIVE EDUCATION

The Energy Delta Institute (EDI) was founded by GasTerra, Gasunie, Gazprom, RUG and Shell in 2002. EDI brings together world-class knowledge and business skills to educate energy professionals to become the future leaders of the energy industry. Our programmes and events for starter, midcareer and c-level professionals focus on the economic, managerial, regulatory and geopolitical aspects of the energy business.

GENERAL PROGRAMMES		SITE VISIT	€
